

## MINDFUL MONDAY SEPTEMBER 30<sup>th</sup>

As we see the images from the current hurricanes, we see the devastation, but we also witness community. We see people helping people. We see humanity, kindness, bravery, and the love that God wants us to show to each other. Let us pray for the victims of the latest storms and give thanks for those that are helping others. Let us pray for days we live in peace with one another.

*49 "For everyone will be salted with fire. 50 Salt is good, but if salt has lost its saltiness, how can you season it? Have salt in yourselves, and be at peace with one another."*

Mark 9:49-50

Today we pray for Steph Estes as she prepares for surgery this week. May God guide the doctors and caretakers. We pray for Ted Olson that is in the hospital with an infection. May he be healed and be able to come home soon. We pray for those that are on our prayer list in need of your guidance and your care. These prayers we ask in your name.

We lift up this week's pastors, churches, and ministry from the regional prayer calendar.
